# General program for the workshop

1. Invited participants (to keep the size of the workshop)
2. It holds mainly in turn by basic members: BNU, Tianjin U, Jiangsu NU, Fijian NU, Central South U, Anhui NU.  
**The 18th Workshop: Tianjin U (2023).**
3. The organization/scientific committee for the workshop:

Dayue Chen, Wenming Hong (Chairman),  
Zenghu Li, Wei Liu, Jian Wang, Fengyu  
Wang, Xianping Guo, Yinchao Xie,  
Xicheng Zhang.

## Duty of the committee

- Arrange the main topics, invited participants, the place and the financial supports for the workshop. Usually, the supports are given by BNU and the holding university.

- Except the basic members given above, the colleagues are welcome to apply for the organization of the workshop. The application is expected to be presented to the organization committee in 1.5 years in advance.
- The local organization committee consists of the Stochastics Research Center and the holding university. Its duty is arranging the schedule of the workshop and related local events.

Wish the workshop to be successful!

Thank you, everybody!

谢谢大家!
